Retest Study Log for Chapter 6	Name
Pre-Algebra	
Mr. Llovd	

Directions: Over the holiday break complete the study log below. This is your ticket to a retest on January  $2^{nd}$ , 2013. Plan on the assessment lasting approximately 40 minutes just like the first assessment. If you suspect you'll need additional time, arrange for transportation home.

If you log sufficient time on the log below (think hours, not minutes), you'll be permitted to retest. If your log is missing detail, sufficient effort, or parent initials, retesting will not be available.

Consider Edmodo materials, pre-algebra.weebly.com website videos, or external aides like Kahn academy and other such resources. Your textbook is a reasonable resource depending on the material that you need to study.
